PORN GREECE

The world is now a DIGITAL BROTHEL. The dominating influence of digital porn is undeniable. Its in every culture, language, nation and religion.

In 2017, the worlds largest porn site received 28.5 billion annual visits from porn pilgrims. A total, 595,482 hours of video were uploaded to pornhub, the equivalent of 68 YEARS of porn if watched continuously and enough data to fill the storage of all of the world's iPhones!

Porn, like tantra is a sex ritual. It is sex magic. When indulging in porn or tantric sexual practices, one essentially enters into an altered and highly suggestible state of consciousness, creating many mind controlled slaves.

In ancient times it was used by both male and female occult shrine and temple prostitutes to worship incorporeal entities (demons).

They prostituted their bodies as a form of religious sacrament and worship. In doing so they were initiating many host bodies for the incorporeal entities to use (demons).

Those incorporeal entities have been here on earth since days of old, when their forefathers, who were angels lusted after the daughters of men and came down to earth and took for themselves wives who bare a hybrid race of beings, who upon death, became the demonic entities. The women also of these fallen angels became demonic sirens.

These fallen angels taught all witchcraft and occult knowledge. They taught them MAGIC, SORCERY, INCANTATIONS, CHARMS AND SPELLS. *Charm is the power or quality of giving delight or arousing admiration. *Spell an invocation or hex, a set of words, spoken or unspoken, which are considered by its user to invoke some MAGICAL effect. Spells can be used in calling upon or summoning a demonic spirit and may employ mind altering substances AND PORN.

Porn and tantra is thus a means of summoning the demons. It is just like porn and has the same effects. The porn or tantra triggered trance makes people wide open to incorporeal entities that feed off of sexual perversion causing many people to be insatiable, addicted, aggressive, depressive and indulging in all manner of wickedness.

Today porn and tantra has an astronomical impact on the human race. There are 12.5 videos of porn for every person on the planet. Porn is now arguably bigger than all the world religions combined. In tantra what is done on a porn set is done privately, alb-eight with the same spiritual effects.

Just like a mind altering drug, tantra causes massive addiction.

Porn and tantra is thus an evil illuminati Babylonian sex magic psyop, deployed to influence millions of people to accept and obey the illuminati agenda. It is a weapon of mass destruction, facilitating the evil agenda against mankind and creating many mind controlled slaves.

When one practices tantra, their bodies essentially get inhabited, tagged and tracked by demonic entities.

Those entities know so much information about users. They are essentially BIG BROTHER WATCHING YOU and they continue watching and influencing you long after your tantric practice.

The last page in this publication details the one and only proven and tested way out of tantric sex slavery and porn.

pornography (n.)

1842, "ancient obscene painting, especially in temples of Bacchus," from French pornographie, from Greek pornographos "(one) depicting prostitutes," from porne "prostitute," originally "bought, purchased" (with an original notion, probably of "female slave sold for prostitution"), related to pernanai "to sell" (from PIE *perə-, variant of root *per- (5) "to traffic in, to sell") + graphein "to write" (see -graphy).

A brothel in ancient Greek was a porneion. In reference to modern works by 1859 (originally French novels), later as a charge against native literature; sense of "obscene pictures" in modern times is from 1906. Also sometimes used late 19c. for "description of prostitutes" as a matter of public hygiene.

Pornography, or obscene painting, which in the time of the Romans was practiced with the grossest license, prevailed especially at no particular period in Greece, but was apparently tolerated to a considerable extent at all times. Parrhasius, Aristides, Pausanias, Nicophanes, Chaerephanes, Arellius, and a few other [pornographoi] are mentioned as having made themselves notorious for this species of license. [Charles Anthon, "Dictionary of Greek and Roman Antiquities," New York, 1843]

I shall not today attempt further to define the kinds of material I understand to be embraced within that shorthand description [hard-core pornography]; and perhaps I could never succeed in intelligibly doing so. But I know it when I see it, and the motion picture involved in this case is not that. [U.S. Supreme Court Justice Potter Stewart, concurring opinion, "Jacobellis v. Ohio," 1964]

The "Medical Archives" in 1873 proposed porniatria for "the lengthy and really meaningless expression 'social evil hospital'" In ancient contexts, often paired with rhyppography, "genre painting of low, sordid, or unsuitable subjects." Pornocracy (1860) is "the dominating influence of harlots," used specifically of the government of Rome during the first half of the 10th century by Theodora and her daughters. Pornotopia (1966) was coined to describe the ideal erotic-world of pornographic movies.

Pornhub & Greece

Χαίρετε from Greece! After having carefully studied a bunch of other Mediterranean countries like [Spain](#), [Italy](#) and [Croatia](#) to name a few, our statisticians have been curious about the viewing habits of our users in Greece for quite some time now. Currently ranking 21st worldwide in terms of the number of visitors to Pornhub, the Greek are quite the patriotic bunch when it comes to the type of content they enjoy on the site, as we'll see later on in our coverage. We're bringing you this and more in the latest installment of Insights, let's get started.

QUICK STATS: GREECE

As we saw in our [2014 Year in Review](#), the average visit on Pornhub tends to last around 9 minutes and 16 seconds. The Greek make slightly better time than this, with their visits lasting just under 9 minutes on average. They also tie up with the worldwide proportion of [female](#) viewers, at 24%. Like many other countries in the world such as [France](#) and [Portugal](#), Mondays are the day of the week that see the most visits to Pornhub, on average.

Interestingly Tuesday is the day that tends to see the least. Of all of countries we've surveyed, we've only ever noticed this phenomenon in the [Philippines](#). Most other countries tend to have traffic dips on or just before the weekend. In this situation, it may be due to the unfortunate economic

crisis that the country is currently experiencing. With unemployment now hovering around 25%, the reality is that for many, the work day does not prevent spending more time on Pornhub during the week. This may also explain why the peak hour in Greece is between 3-4 pm. We'll look at the country's top search terms next.

As we've seen in the vast majority of the countries we've studied on

Pornhub Insights, a country's top searched terms tend to involve its own nationality. We saw this to be true in [Scotland](#), [Denmark](#) and [India](#), among others. This is also very much the case in Greece, where half of the 20 most searched terms in the country are either cities or regions within the nation or contain 'greek'. 'Greek' is the most searched for term here by a long shot, followed by 'greek celebrity' and 'greek porn' in second and third place.

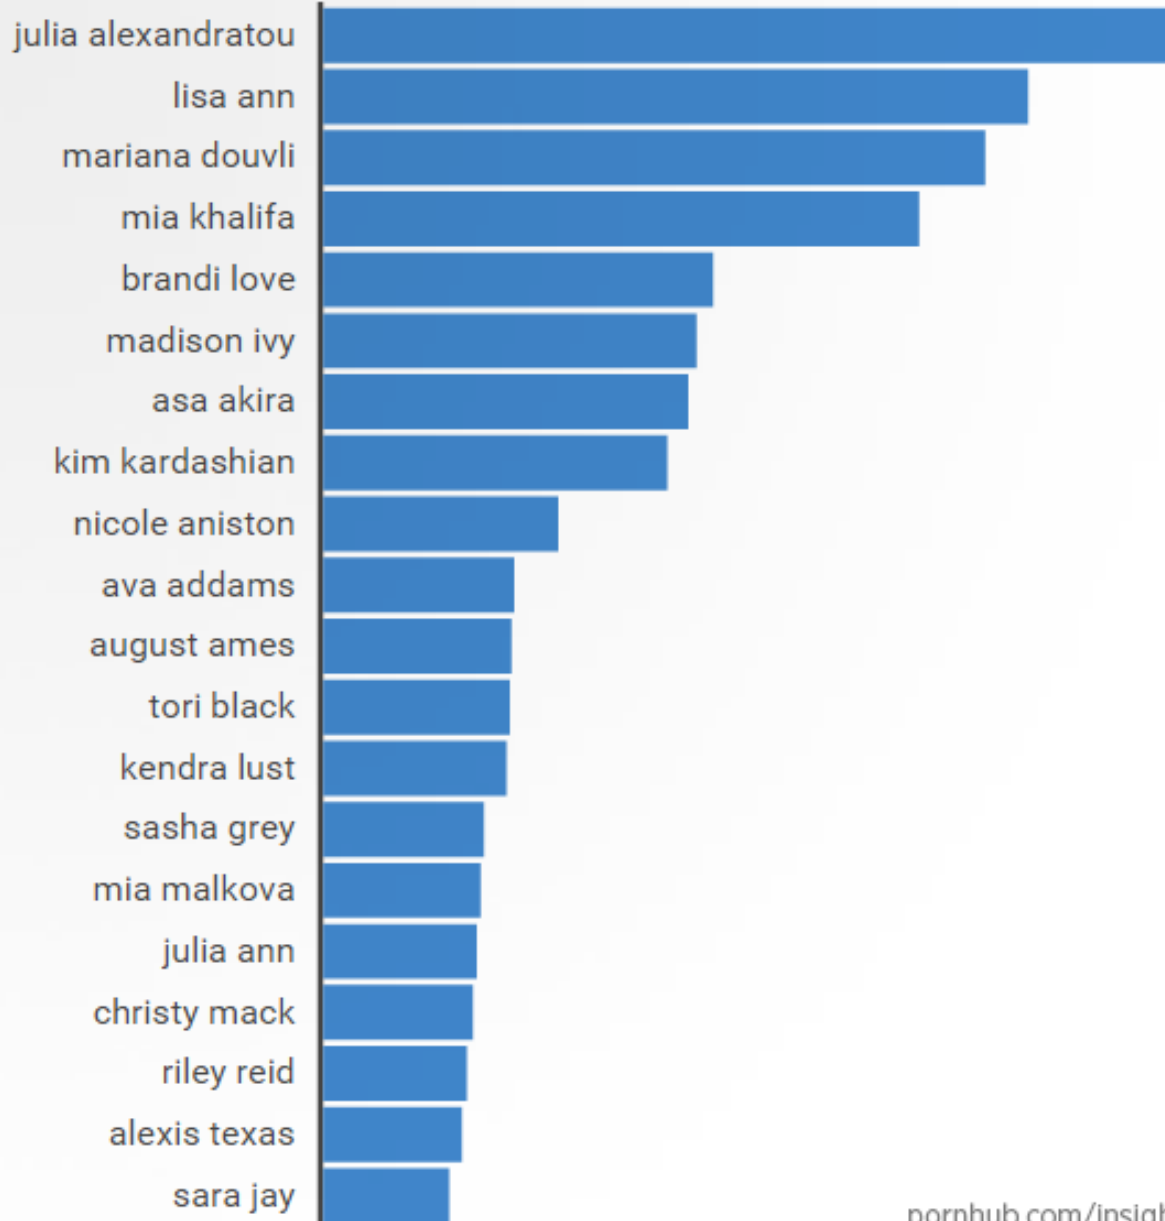

GREEK GODDESSES OF PORN

Let's take a look at which porn stars are deemed Parthenon worthy in Greece. National treasure [Julia Alexandratou](#) (NSFW) takes first place by a strong lead, followed by everyone's favorite MILF, [Lisa Ann](#) in second. Homegirl Mariana Douvli takes third, followed by reality queen [Kim Kardashian](#) down at 8th place.

IT'S ALL GREEK TO ME

As we stated earlier on, Greeks tend to last just under 9 minutes when they visit Pornhub. This figure varies from region to region, however. For instance, in the South Aegean region, almost half a minute is shaved off of the average time on site. Over in the inner regions of Central Greece and Epirus, they enjoy longer than average sessions on the site. Visits tend to last 14 and 41 seconds longer than the national average in each region,

respectively.

This is further illustrated in the heat map below.

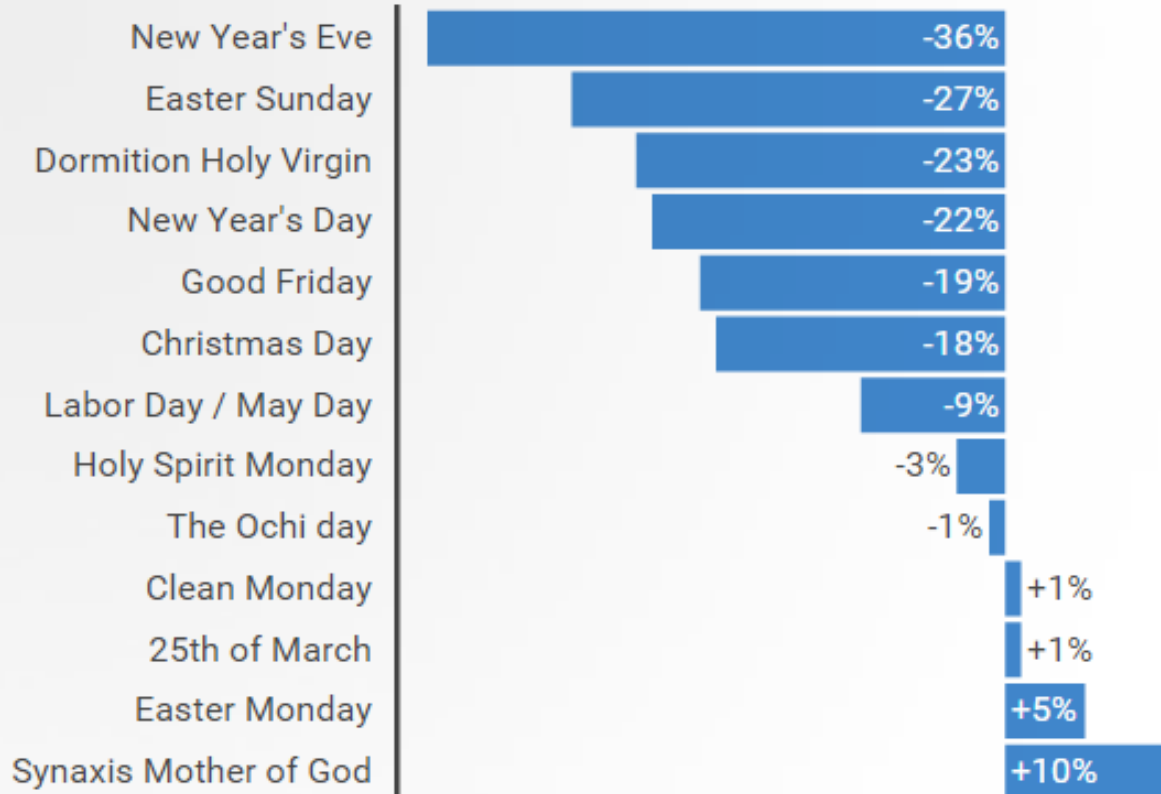

HAPPY HOLIDAYS

According to a 2012 Gallup Poll, over 70% of Greeks surveyed expressed that religion was an important part of their lives. This is echoed by some significant decreases in traffic that we observed on certain religious holidays in the country. While the largest drop at -36% was noted on New Years Eve, [Easter Sunday](#), and the Dormition of the Holy Virgin both see decreases of around 25%. Traffic was also down by 19% on Good Friday and 18% on [Christmas Day](#).

On to devices. Currently, 44% of visits to Pornhub originate from desktop computers. This figure is slightly higher in Greece at 56%. As such, visits from [mobile devices](#) like tablets and smartphones in the country account for slightly less visits than they do on the worldwide scale.

SHIFT OF THE AGES

We'll end our coverage with some [age](#)-focused data. The average age of a Pornhub user in Greece is 35, which is the same as the worldwide average. The median age in Greece is currently 41.8 years. We've previously found that [Millennials](#) account for the majority of site users, and the same is true

in Greece as 61% of users here are aged between 18 and 34 years.

It gets really interesting when we look closer at which types of content that each age group searches for on the site. For instance, searches oriented around healthy activities like 'yoga' and the 'gym' are searched for quite a bit more in the 18-24 year old group, while older cohorts prefer foreign content. Specifically, searches for 'turkish,' and 'italian' are quite popular among 45-54 year olds and terms like 'russian mom' and 'russian' are searched for proportionally more by the 55-64 year old age group. Trans and arab content is what the 65+ crowd in Greece are checking out at much

higher rates than any other age group.

The categories that are viewed proportionally more by each age group are also quite fascinating. 18-24 year olds in Greece rack up views in the

‘Hentai’ and ‘Cartoon’ categories considerably more than any other. 25 to 34 year olds go for that amateur feel, with the ‘Webcam,’ ‘Casting’ and ‘Amateur’ categories all being viewed more by this age group than others. Again, the older groups tend to lean more towards foreign films, with high proportions of views in the ‘French,’ ‘Italian,’ and ‘Russian’ categories.

The kingdom of heaven has come near !

Porn Deliverance

I say to the true people of God, now you must come out of her! Come out of pornography!
Come out of mystery babylon, the harlot!

Then I heard another voice from heaven say:

“**Come out of her, my people,**
so that you will not share in her sins,
so that you will not receive any of her plagues;
for **her sins are piled up to heaven,**
and **God has remembered her crimes.**” Revelation 18:4-5

Those who want to come out of pornography and never return to the filth, let us repent
and return to JESUS right away,

Say,

Dear Jesus, Mighty Father, Precious Holy Spirit. I am sinner. I have sinned against you and
against my own body, which is the temple of the Holy Spirit. I have defiled your temple
with sexual sin, pornography and wickedness. I have become the body of the harlot.
Please forgive me. Disconnect me from the mystery babylon spirit and all unclean spirits.
Disconnect me from filthy jezebel. Disconnect me from all ties to demonic spirits.
Disconnect me from spiritual ties to satan. Make me clean LORD JESUS, make me once
again into the temple of the HOLY SPIRIT. Help me not to be defiled again. Help me
JESUS not to return to sexual sin and porn. I repent of idolatry, lies, and all wicked acts.
Please forgive me. Today I am born again and I am receiving you JESUS, I am receiving
you FATHER, I am receiving you HOLY SPIRIT. Amen.

WARNING!

“**Flee from sexual immorality.** All other sins a person commits are outside the body, but
whoever sins sexually, sins against their own body. Do you not know that **your bodies are**
temples of the Holy Spirit, who is in you, whom you have received from God? You are
not your own; you were bought at a price. **Therefore honor God with your bodies.**” 1
Corinthians 6:18-20

If you REJECT THIS INSTRUCTION, THEN YOU HAVE REJECTED GOD, for it is
written,

“**For God did not call us to be impure, but to live a holy life.** Therefore, **anyone who**
rejects this instruction does not reject a human being but God, the very God who gives
you his Holy Spirit.” 1 Thessalonians 4:7-8

May the LORD JESUS write and keep the names of all who have repented here. Amen.

Shalom.
